3) The existing scale of pay of the Avenue Inspector of the Mysore City Municipality is Rs ~~60-4~~ 50-5½-75-5-100, with triennial increments up to the stage Rs 75/ Since all similar posts in the Horticulture and Agricultural Depts carry annual increments of not less than Rs 5/ and the triennial increment of Rs 5/ in the case of Mysore City Municipality which practically amounts to an increment of Rs 2-8-0 per annum was considered to work as a hardship to the Municipal Inspector the Municipal Council at its meeting held on 8-3-52

(Through the President)

Sir, 24/5/52

Subject - Revision of the grade pay of the Avenue Inspector of the Municipality

---

I write to state that the sanctioned strength of the inspection staff of the Avenue Section of the Municipality consisted of one Avenue Inspector of the grade Rs 50-5/2-75-5-100 plus 15/- CA and one Assistant Avenue Inspector of the grade Rs 40-2-50-3-80 plus Rs 5 CA as fixed in the recent general revision Consequent on the proposal of the Trust Board to have an independent Avenue staff for the Board, Government directed in the L S G Secretary's letter No 5177/I T B 24-50-17 dated 11-8-1950 that the question of keeping the cost in this behalf at a reasonably low level might be considered by Council In pursuance of this instruction, the Council resolved at their meeting held on 5-9-1950, to continue only the Avenue Inspector's post and to keep the post of the Assistant Avenue Inspector vacant The same has been intimated to you in this office letter No C3 P 69/48-49 dated 20-9-1950 This resulted in a monthly savings of Rs 62/- being the average salary of the post of the Assistant Avenue Inspector But this savings is set off (with a difference of about Rs 7/-) on average salary basis) against the moiety of the cost that was being received from the Trust Board and which has since ceased, consequent on a separate Avenue establishment

this may [illegible] be transferred to the corporation section ma 1/7

having been sanctioned to the Trust Board as per Government Order No L ₹5374-6/ITB 16-51-19 dated 24-8-1951

According to the existing grade, the increment attached to the post of the Avenue Inspector is ~~xxx~~ biennial i e , Rs 5/- only and is to be sanctioned once in two years (while all similar posts in the Horticulture and Agricultural Departments carry annual increments of not less than Rs 5/-) It was felt that the biennial increment of Rs 5/- practically amounted to Rs 2-8-0 per annum and this worked as a hardship to the incumbent and caused discontent

In these circumstances, the Council approved of the resolution of the Managing Committee to convert the grade pay of the post of the Avenue Inspector to be in par with the grade pay of the Agricultural Inspector in Government Departments viz , Rs 55-5-100-10-150 so as to allow interchange of incumbents

I enclose a copy of the resolution of the Council in this behalf and request that orders of Government may be kirdly obtained sanctioning the revision of the scale of pay of the post of the Avenue Inspector from Rs 50-5/2-75-5-100 to Rs 55-5-100-10-150 involving in an excess cost of Rs 456 per annum A proposition statement showing the financial implications is enclosed

READ:-

Correspondence ending with letter No.B3 C.194/48-49 dated 22nd June 1951 from the Chairman, City Improvement Trust Board, Mysore, forwarding proposals for the re-organisation of the Avenue establishment in the Trust Board.

ORDER NO L. 5374-6/9 TB 14.84 19

Dated, Bangalore, the 24 & 84

In Mysore City, at present, there is a common Avenue establishment for the maintenance of Avenue trees and parks belonging to both the Mysore City Improvement Trust Board, Mysore, and the Mysore City Municipal Council According/ to the existing arrangement, moiety of the salary of the Inspection staff and two-thirds of the expenditure towards the staff and maintenance of water lorry of the Avenue Section are being borne out of the funds of the Trust Board, while each local body is having its own Avenue Gang coolies at its cost.

The Chairman, City Improvement Trust Board, Mysore, has, with a view to having an independent staff in the Trust Board for the maintenance of parks and gardens of his Department, now proposed to re-organise the Avenue Establishment of the Trust Board As per particulars shown in the statement appended, the total contribution out of the funds of the Trust Board at present works out to Rs 8,000/- per annum, while the re-organisation proposed would cost Rs 7,000/- only According to this, 7 out of 22 Avenue Gangmen employed by the Trust Board will be retrenched, with certain new provision for the purchase of manure, tools and plants required for the purpose. It is said that even when the scales of pay of the staff are revised, to bring them on par with those in other Departments, the expenditure/of the establishment will be at the present level.

Having considered the question in all its aspects, it is found desirable to have a separate Avenue Establishment in the Mysore City Improvement Trust Board, independent of the one in the Mysore City Municipality Sanction is therefore accorded to the proposal of the Chairman, City Improvement Trust Board, Mysore for re-organising the Avenue Staff of the Trust

on the lines suggested. He is requested to implement the proposals early. Avenue trees should form special responsibility of the Trust Board, so far as trees in its own jurisdiction are concerned.
